

# Fifth Grade Huskies

9/19/16-9/29/16

## What's Happening in 5th Grade?

### Dates to Remember

Progress reports go home	9/22
Outdoor classroom field trip	9/27
Howl-a-Thon packets due	9/30
Picture day	10/3
Howl-a-Thon and Family Fun Night	10/7

### Reminders...

- ✓ **Behavior calendar signed by Monday**
- ✓ **Spirit Day every Friday**

**English/Language Arts/Reading:** In ELAR we will be starting our six day rotations. We will rotate guided reading and guided writing. We will continue to focus on fiction and dive into characterization and point of view. Students will take what they learn and apply it to their writing.

**Math:** We have completed Topic 2; be sure to ask your child how they performed on the test. Next we will begin Topic 3: **Multiplying Whole Numbers and Decimals.**

**Science:** In science, we will be examining and classifying rocks based on their type. Our focus on sedimentary rock formation will help us to understand and model fossil fuel formation. We will also be examining fossil types and learn how each type is created.

**Social Studies:** We are currently in our Globalization Unit. The next couple of weeks we will be learning about The Free Enterprise System and introduce the three documents that comprise the Charters of Freedom.
