

Fifth Grade Huskies

9/2/16-9/15/16

What's Happening in 5th Grade?

Dates to Remember

Labor Day— Student Holiday	9/5
Box Tops due	9/15
Early Release	9/16

Reminders...

- ✓ Behavior calendar signed by Monday
- ✓ Spirit Day every Friday

English/Language Arts/Reading: In reading, we are beginning our immersion into fiction. We will be studying elements of plot. In writing, we will be focusing on writing fiction pieces, as well as distinguishing between appropriate times for using to, too, and two.

Math: In math, your child will be goal-setting based on the results of the 4th grade Universal Screener. Be sure to ask your child how they performed. Moving forward, our next unit of study will be addition and subtraction of whole numbers. The district is still working on getting TTM up and running. We will let you know when students will be able to log in from home.

Science: In science we are beginning our Earth Science unit with particular focus on constructive and destructive forces, fossils, and sedimentary rocks.

Social Studies: Students are learning about ways humans modify and adapt the environment to fit their needs. We will be continuing on to study important elements of the economy, including supply and demand, scarcity, and profit.
